National Fuel

Financial Tear Sheet

Corporate Profile

National Fuel Gas Company (NYSE: NFG), incorporated in 1902, is a diversified energy company with its headquarters in Williamsville, New York. The Company's assets are distributed among four business segments: Exploration and Production, Pipeline and Storage, Utility and Energy Marketing.

National Fuel's history dates to the earliest days of the natural gas and oil industry in the United States and the Company has been responsible for many industry firsts. Today, the Company continues to be managed in the same innovative and entrepreneurial spirit, and takes pride in its 107 year tradition of delivering service and value.
